

Dear student,

Thank you for your interest in taking a clinical elective within **Erasmus Placement (SMP)** at Heidelberg University Medical School. Enclosed please find an application form and a list of clinical electives available at our faculty.

Application: Attached please find the application form. Your faculty has to support your application, it has to be signed and sealed by the school official. Please submit exclusively original documents. Please attach your **curriculum vitae** and the form for the **training agreement**. We accept only students, who are officially enrolled in a medical school and who have not yet completed the medical school or equivalent in medicine (no post-graduates). For the short time of your elective you will not be enrolled at Heidelberg University.

Deadline: Please apply 6 months in advance of the start of the elective.

Elective Dates: In general, electives begin on the first day of the month and conclude on the last day of the month (4 weeks). Special time arrangements can be considered subject to approval of the instructor.

Tuition: No tuition is required for clinical electives

Housing: Unfortunately we cannot arrange accommodation. If you are admitted, we will send you a list of links for housing facilities.

Living cost: Your expenses including lodging will amount to approximately € 600 per month. Students from countries outside of the European Union must provide proof of adequate financial resources. We are not able to provide free housing or financial support for guest students.

Insurances: You are responsible for your malpractice, personal liability and personal health insurance. Please make sure that such insurances are valid in Germany.

Knowledge of German: We can only admit applicants who have intermediate knowledge of German and we require B2 (UniCert Level 2). Please add to the application documents a certificate of your language proficiency signed by a University official or a member of Goethe Institut.

The better your German is, the more you will profit from your experience in Heidelberg.

Prof. Dr. Andreas Draguhn

Dean of Studies
