

## DFG-Ausschreibung *Colombian-German Collaboration in Research*

Universidad de Antioquia and DFG offer joint funding opportunities for bilateral research projects. On the basis of the Letter of Intent signed in January 2019 between the Deutsche Forschungsgemeinschaft (DFG, German Research Foundation) and the Universidad de Antioquia (UdeA) in Colombia, researchers from Germany and UdeA can submit proposals for joint research projects in any field of research. Submission of research proposals is possible at any time within the Research Grants Programme at DFG as well as the corresponding CODI-programme at UdeA.

### **Antragsbedingungen:**

The proposals for German-Colombian research projects have to be submitted simultaneously to the DFG and UdeA and have to follow the respective eligibility requirements:

- The joint proposal in English language shall not exceed 20 pages and shall contain an abstract, the scientific description, the goals, and the tasks.
- Please note that the scientific content of the proposal submitted at DFG and UdeA must be identical.
- Researchers can apply for a funding period of up to three years.
- Scientists in Germany must submit their proposals within the DFG's Research Grants Programme in compliance with the guidelines outlined in DFG form 50.01 and 54.01. These include the eligibility criteria and proposal preparation instructions for applicants to be funded by DFG.
- Colombian proposals for research projects shall also follow DFG's guidelines of form 50.01 and 54.01. In addition, requirements of the CODI's (Comité para el Desarrollo de la Investigación) Terms of Reference have to be met. Researchers of UdeA have to submit the joint proposal to UdeA's Office of the Vice Chancellor for Research.

All proposals will be reviewed by both organisations separately. The results of the review process will be shared between the DFG and UdeA. Submission of research proposals is possible at any time
