Vaccination Certificate for incoming students applying for any clinical course (Lectures, Seminars and their Bedside teachings) at Medical Faculty Heidelberg

To be completed and signed by a qualified physician before admission to a clinical course.

In accordance of health guidelines the following vaccinations have to be documented. Missing vaccinations have to be completed before the course start. If it is required to repeat tests performed abroad, a fee will be charged by the "Betriebsärztlicher Dienst (Medical Services)" to cover these costs. Any fee required for this form is the responsibility of the applicant.
